Comments/Notes about completing this grid:

Based on your responses to the questions, list and describe at least ONE thing (if not more) you plan to do differently in preparing for the next exam. Please be specific. For instance, will you just spend more time, change a specific study habit (if so, name it), try to sharpen some other skill (if so, name it), use other resources more, or something else?

What can the instructor do to help support learning and preparation for future exams? (Please be specific and note that these suggestions will not be delivered to the instructor until after grades have been submitted at the end of the semester.)
